Savoy Club Under Contract to Pulte Homes

A representative from Pulte Homes contacted Community Development Director Doug Pollock this week to schedule a meeting to discuss the Savoy Club PUD. Pulte has all of the vacant lots under contract and is in their due diligence period. It is their intent to construct homes consistent with the approved PUD and to avoid any amendments to the PUD. They hope to complete their due diligence and begin construction of a model home before the end of the year (2011). Staff has contacted a representative of the homeowners with this information. Also, at the meeting with Pulte, we will certainly make sure they are aware of all maintenance requirements for the ponds and for the subdivision.

Community Service Survey Response Received

In response to Trustee Paveza's concern about the response rate for the 2011 Community Service Survey, staff placed copies of the survey instrument at the front counter of the Village Hall and posted a link on the Village's website so residents can download a copy. Any survey responses received from this point forward will be attached to the Miscellaneous Memo. The data will not be affected by a handful of responses so the report will not be updated unless we receive a quantity large enough to warrant it.
